Fun, but.. by Aqueela on 2021/12/14 12:46 First of all, I love the concept of this game and, as an avid puzzle solver, I enjoyed completing the puzzles needed for each level. The game has some great features such as timed puzzles, word hints and more. However, I do have a few criticisms. First of all, the ads are sooo annoying! I've downloaded over 10 games in the past 2 weeks and every one of them had to be deleted because of the ads. Secondly, I was kind of annoyed with having 2 sets of tiles in a level then receiving new tiles from the previous board when you complete it. Finally, the timed levels were not that challenging and could have been better developed (so that you could make mistakes without losing time).",

Good game but... by 1-2-3! on 2021/12/22 00:18 I really like this game. It allows you to come back to it later with a new board of squares that have a set pattern. In this case, all the white squares are filled in and you have to find all the words that fit in the pattern. It's really fun, although sometimes confusing as you try and decipher what is or is not a word. The only complaint I would have is there are SO many ads. They are annoying and it takes away from the flow of the game. They are also very small.",

Coin master is an online only slot machine-style game which can be played anywhere in the world as long as you have an internet connection. The aim of the game is to earn new coins while playing mini games such as "slide or splat", "tap the fish", or "striped fish swim". These games are short, only lasting 20 seconds on average. The purpose of each game is to collect as many gold coins and gems which are the two main currencies in the game. The coins you collect may be used to spin the wheel when you have a "wheel spin", and the gems may be exchanged for clothes, backgrounds, or other items such as achievement badges which contribute to your level. There are also very small amounts of other currencies in the game such as diamonds, but there is no use for these at all."
